

Off The Grid GBI 2017 Programme

Friday 5th May 2017

Island Launch and Day workshops,

Schoolmaster's house Claris Art Gallery, full day

Opening Event, Great Barrier Island Sports & Social Club Inc, 6.00pm

On Friday there will be an on-island launch and welcome to the speakers and guests. Day workshops will be held. Venues and workshop agenda will be advised on the website. In the afternoon, the Aotea 'Off The Grid' Opening Event will be held at GBI Sports and Social Club in Claris at 6.00pm.

Saturday 6th May 2017

Property Tours, whole day

On Saturday we will be visiting a range of properties and inspecting their power systems. Enquire through the website for tickets. Space is limited and each ticket holder will be invited to a dinner party at some of the homes on the island.

These award winning architectural master pieces are tucked away in some of Great Barrier's remotest locations and we are pleased to be able to offer access to them for our visitors.

Sunday 7th May 2017

Tryphena Hall, Great Barrier Island, 10am – 1pm

Field day with trade stalls and an opportunity to learn about some local sustainability initiatives, products and innovations.

The Annual 'Off the Grid' GBI Alternative Energy Event is an AoteaOra Community Trust initiative. The Trust was established in 2012 with the objective of facilitating, researching, and promoting more sustainable living on Great Barrier Island. This weekend long event is supported and sponsored by the Great Barrier Island Local Board.
